

CURRICULUM VITAE

DATE: December, 2002

NAME: Franklin Harold Silverman

ADDRESS: 5918 Currant Lane, Greendale, Wisconsin 53129

HOME PHONE: (414) 421-4254 OFFICE PHONE: (414) 288-1409

FAX: (414) 288-3980

E-MAIL: 6416silverma@marquette.edu

DATE OF BIRTH: August 16, 1933 PLACE: Providence, Rhode Island

MARITAL STATUS: Married 11/13/83 to Evelyn Ellen Chanda

EDUCATION:

<i>Degree</i>	<i>Institution</i>	<i>Year</i>
B.S. in Speech (with High Honors)	Emerson College	1960
M.A.	Northwestern University	1961
Ph.D.	University of Iowa	1966

PROFESSIONAL EXPERIENCE:

<i>Position</i>	<i>Institution</i>	<i>Dates</i>
Speech Clinician Rehabilitation Center (Greenfield, N.H.)	Crotched Mountain	Summer, 1960
Speech Clinician (Springfield, Mass.)	Springfield Hospital	Oct., 1961 to Sept., 1963

UNIVERSITY WORK HISTORY:

<i>Position</i>	<i>Institution</i>	<i>Dates</i>
Research Associate, Stuttering Research Program	University of Iowa	Sept., 1965 to Sept. 1968
Assistant Professor of Speech	University of Illinois at Urbana-Champaign	Sept., 1968 to Sept., 1971
Associate Professor of Speech	Marquette University	Sept., 1971 to Sept., 1977
Professor of Speech	Marquette University	Sept., 1977 to present

Clinical Professor of
Rehabilitation Medicine

Medical College of
Wisconsin

May, 1980 to
present

CERTIFICATION: Certificate of Clinical Competence in Speech-Language Pathology issued by American Speech-Language-Hearing Association.

Speech-Language Pathologist license issued by the State of Wisconsin.

PUBLICATIONS — BOOKS

Silverman, F.H., *Research Design in Speech Pathology and Audiology*. Englewood Cliffs, NJ: Prentice Hall (1977). [A Japanese translation of this text was published in 1983.]

Silverman, F.H., *Communication for the Speechless*. Englewood Cliffs, NJ: Prentice Hall (1980). [This text was the main selection in January, 1980 of the Library of Special Education Book Club.]

Silverman, F.H., *Legal Aspects of Speech-Language Pathology and Audiology*. Englewood Cliffs, NJ: Prentice Hall (1983).

Silverman, F.H., *Speech-Language Pathology and Audiology: An Introduction*. Columbus, Ohio: Charles E. Merrill (1984).

Silverman, F.H., *Research Design and Evaluation in Speech-Language Pathology and Audiology* (Second Edition). Englewood Cliffs, NJ: Prentice Hall (1985).

Silverman, F.H., *Microcomputers in Speech-Language Pathology and Audiology: A Primer*. Englewood Cliffs, NJ: Prentice Hall (1987).

Silverman, F.H., *La Comunicazione Per Il Privo Di Parola*. Torino, Italy: Edizioni Omega (1987). [This is an Italian translation of *Communication for the Speechless*.]

Silverman, F.H., *Communication for the Speechless* (Second Edition). Englewood Cliffs, NJ: Prentice Hall (1989). [This text was an alternative selection in the Library of Speech Pathology Book Club.]

Silverman, F.H., *Stuttering and Other Fluency Disorders*. Englewood Cliffs, NJ: Prentice Hall (1992). [This book was an alternative selection in the Library of Speech Pathology Book Club.]

Silverman, F.H., *Legal/Ethical Considerations, Restrictions, and Obligations for Clinicians Who Treat Communicative Disorders*. Springfield, Illinois: Charles C. Thomas (1992). [This is a revised edition of *Legal Aspects of Speech-Language Pathology and Audiology*.]

Silverman, F.H., *Research Design and Evaluation in Speech-Language Pathology and Audiology* (Third Edition). Englewood Cliffs, NJ: Prentice Hall (1993). [This book was an alternative selection in the Library of Speech Pathology Book Club.]

Silverman, F.H., *Authoring a Textbook or Professional Book*. Greendale, WI: CODI Publications, Box 261 (1993). [Distributed by the Text and Academic Authors Association.]

Silverman, F.H., *Comprehensive Bibliography on Augmentative and Alternative Communication*. Greendale, WI: CODI Publications, Box 261 (1993).

Silverman, F.H., *Speech, Language, and Hearing Disorders*. Needham, MA: Allyn & Bacon (1995).

Silverman, F.H., *Communication for the Speechless* (Third Edition). Needham, MA: Allyn & Bacon (1995). [An Arabic translation is in process.]

Silverman, F.H., *Stuttering and Other Fluency Disorders* (Second Edition). Needham, MA: Allyn & Bacon (1996). [A Greek translation is in process.]

Silverman, F.H., *Computer Applications for Augmenting the Management of Speech, Language, and Hearing Disorders*. Needham, MA: Allyn & Bacon (1997).

Silverman, F.H., *Communication for the Speechless in Arab Countries*. Riyadh, Saudi Arabia: Joint Centre for Research in Prosthetics & Orthotics and Rehabilitation Programmes (1997).

Silverman, F.H., *Research Design and Evaluation in Speech-Language Pathology and Audiology* (Fourth Edition). Needham, MA: Allyn & Bacon (1998).

Silverman, F.H., *Authoring Books and Materials for Students, Academics, and Professionals*. Westport, CT: Praeger Publishers (1998).

Silverman, F.H., *Fundamentals of Electronics for Speech-Language Pathologists and Audiologists*. Needham, MA: Allyn & Bacon (1999).

Silverman, F.H., *Professional Issues in Speech-Language Pathology and Audiology*, MA: Allyn & Bacon (1999).

Silverman, F.H., *The Telecommunication Relay Service (TRS) Handbook*. Middletown, RI: Aegis Publishing Group (1999).

Silverman, F.H., *Publishing for Tenure and Beyond*. Westport, CT: Praeger Publishers (1999).

Silverman, F.H., *Second Thoughts About Stuttering*. Greendale, WI: CODI Publications (2000).

Silverman, F.H., *Self-Publishing Books and Materials for Students, Academics, and Professionals*. Greendale, WI: CODI Publications (2000).

Silverman, F.H., *Teaching for Tenure and Beyond: Strategies for Maximizing Your Student Ratings*. Westport, CT: Bergin & Garvey (2001).

Silverman, F.H. & Moulton, R., *The Impact of a Unique Cooperative American University USAID Funded Speech-Language Pathologist, Audiologist, and Deaf Educator B.S. Degree Program in the Gaza Strip*. Lampeter, Ceredigion, Wales, UK: The Edward Mellen Press, Ltd. (2002).

Silverman, F.H., *Essentials of Speech, Language, and Hearing Disorders*. Cincinnati, OH: Atomic Dog Publisher (2003). [This is, to the best of my knowledge the first online textbook for the introductory communicative disorders course.]

Silverman, F.H., *Speech-Language Pathology and Audiology: An Introduction* (Third Edition). Cincinnati, OH: Atomic Dog Publisher (in press).

Silverman, F.H., *Collegiality and Service for Tenure and Beyond: Acquiring a Reputation as a Team Player*. Westport, CT: Praeger (in press).

Silverman, F.H., *Coping with Stuttering and Other Fluency Disorders as Impairments, Disabilities, and Handicaps* (Third Edition). Boston, MA: Allyn & Bacon (in process).

Silverman, F.H., *Introduction to Augmentative Communication*. Columbus, OH: Prentice Hall/Merrill (in process)

Silverman, F. H., *Documenting Speech and Language Disorders as Impairments, Disabilities, and Handicaps: A Primer for Clinicians*. Cincinnati, OH: Atomic Dog Publisher (in process).

Silverman, F.H., *Research Design and Evaluation in Speech-Language Pathology and Audiology* (Fifth Edition). Boston, MA: Allyn & Bacon (in process).

Silverman, F.H., *A Practicum Primer for Students Majoring in Speech-Language Pathology*. Cincinnati, OH: Atomic Dog Publisher (in process).

Silverman, F. H., *Second Thoughts About Stuttering* (Second Edition). Cincinnati, OH: Atomic Dog Publisher (in process).

PUBLICATIONS — PAPERS

(1958)

Silverman, F.H., Diary. *Emerson College Scribe Literary Magazine*, 5(3), 24 (1958).

(1960)

Silverman, F.H., Forensic therapy. *Quarterly Journal of Speech*, 46, 305-306 (1960).

(1967)

Sherman, D., Shriner, T., and Silverman, F.H., Psychological scaling of language development of children. *Proceedings of the Iowa Academy of Science*, 72, 366-371 (1967).

Silverman, F.H., Correspondence between mean and median scale values for sets of stimuli scaled by the method of equal-appearing intervals. *Perceptual and Motor Skills*, 25, 727-728 (1967).

Silverman, F.H., Interpretation of mean Q values for sets of scale values rated on a seven-point equal-appearing interval scale. *Perceptual and Motor Skills*, 24, 842 (1967).

Silverman, F.H., and Sherman D., Equal-appearing interval scale values and successive interval scale values derived from the same set or ratings. *Perceptual and Motor Skills*, 25, 226-228 (1967).

Silverman, F.H., and Williams, D.E., Loci of disfluencies in the speech of nonstutterers during oral reading. *Journal of Speech and Hearing Research*, 10, 790-794 (1967).

Silverman, F.H., and Williams, D.E., Loci of disfluencies in the speech of stutterers. *Perceptual and Motor Skills*, 24, 1085-1086 (1967).

(1968)

Sherman, D., and Silverman, F.H., Three psychological scaling methods applied to language development. *Journal of Speech and Hearing Research*, 11, 837-841 (1968).

Silverman, F.H., An approach to determining the number of judges needed for scaling experiments. *Perceptual and Motor Skills*, 27, 1333-1334 (1968).

Silverman, F.H., Intraclass correlation coefficient as an index of reliability of median scale values for sets of stimuli rated by equal-appearing intervals. *Perceptual and Motor Skills*, 26, 878 (1968).

Silverman, F.H., and Williams, D.E., A proportional measure of stuttering adaptation. *Journal of Speech and Hearing Research*, 11, 444-446 (1968).

Williams, D.E., and Silverman, F.H., Note concerning articulation of school-age stutterers. *Perceptual and Motor Skills*, 27, 713-714 (1968).

Williams, D.E., Silverman, F.H., and Kools, J.A., Disfluency behavior of elementary school stutterers and nonstutterers: The adaptation effect. *Journal of Speech and Hearing Research*, 11, 622-630 (1968).

(1969)

Silverman, F.H., Comment of "Testing the Significance of the Agreement Among Observers." *Journal of Speech and Hearing Research*, 12, 223 (1969).

Silverman, F.H., Review of "The Modification of Stuttering". *Journal of Speech and Hearing Disorders*, 34, 283 (1969).

Williams, D.E., Silverman, F.H., and Kools, J.A., Disfluency behavior of elementary-school stutterers and nonstutterers: The consistency effect. *Journal of Speech and Hearing Research*, 12, 301-307 (1969).

Williams, D.E., Silverman, F.H., and Kools, J.A., Disfluency behavior of elementary-school stutterers and nonstutterers; Loci of instances of disfluency. *Journal of Speech and Hearing Research*, 12, 308-318 (1969).

(1970)

Silverman, F.H., Concern of elementary-school stutterers about their stuttering. *Journal of Speech and Hearing Disorders*, 35, 361-363 (1970).

Silverman, F.H., Course of nonstutterers' disfluency adaptation during 15 consecutive oral readings of the same material. *Journal of Speech and Hearing Research*, 13, 382-286 (1970).

Silverman, F.H., Distribution of instances of disfluency in consecutive readings of different passages by nonstutterers. *Journal of Speech and Hearing Research*, 13, 874-882 (1970).

Silverman, F.H., A note of the degree of adaptation by stutterers and nonstutterers during oral reading. *Journal of Speech and Hearing Research*, 173-177 (1970).

(1977)

Appointed Associate Editor of the *Journal of Speech and Hearing Research*.

Duncan, J.L., and Silverman, F.H., Impacts of learning American Indian Sign language on mentally retarded children. Paper presented at the annual meeting of the American Speech and Hearing Association, Chicago (1977).

Silverman, F.H., Use of Amerind Sign Language with mentally retarded children. Paper presented at the Second Annual Conference on the Clinical Use of Amerind Sign, St. Louis V.A. Hospital (1977).

(1978)

Served as a Visiting Professor at the University of Michigan during the summer. I lectured on augmentative communication systems.

Appointed a member of the American Speech and Hearing Association Committee on "Communication Processes and the Nonspeaking Person."

(1979)

Participated in a research conference on Blissymbolics that was conducted in Stratford, Ontario, Canada by the Blissymbolics Communication Foundation.

Presented two lectures on augmentative communication systems at Western Michigan University.

Named a Fellow of the American Speech-Language-Hearing Association.

Selected for Listing in *Who's Who in the Midwest*.

(1980)

A one-third page article entitled "Indian hand signs help the mute talk" describing some of my research, appeared in the *New York Times* in November, 1980.

(1981)

Organized and conducted a conference on evaluating the impact of Blissymbolics for the Blissymbolics Communication Institute, Toronto, Ontario, Canada.

(1982)

Presented an eight-hour workshop on "Communication for the Speechless" at the annual convention of the Georgia Speech and Hearing Association in Savannah.

Selected for listing in *American Men and Women of Science*.

Selected for listing in *Who's Who in America*.

(1983)

Participated in the founding of the "International Society of Alternative and Augmentative Communication" at Michigan State University and served as a member of its first Board of Directors.

Collaborated with Dr. Edward Korabic on a scientific exhibit at the American Speech-Language-Hearing Association annual convention.

Conducted a workshop on augmentative communication at Alabama A & M University.

(1984)

Visiting Professor, University of Guam. I taught my Augmentative Communication Course.

Participated in the First International Workshop on "Logopedics and Phoniatrics Today," St. Vincent, Italy.

Presented two lectures on Augmentative Communication at the City University of London.

Selected for listing in: *Who's Who in the Midwest*
Who's Who in America
Who's Who in the World

(1985)

Invited to be a "featured speaker" at the 12th annual convention of the National Council on Stuttering which was held at Northern Illinois University.

An article in which I was interviewed entitled "Computerized Communication" appeared in the September 2, 1985 issue of the *Milwaukee Business Journal*.

Selected to appear in *Who's Who in World Jewry*.

(1986)

Invited to teach my Augmentative Communication course on Saipan, in the Northern Mariana Islands during July 29th and August 15, 1986. The course was sponsored by the University of Guam and the Western Pacific Special Education Consortium.

Invited to lecture at Tokyo Metropolitan Institute of Gerontology in August, 1986.

Presented a paper at a poster session at the American Speech-Language-Hearing Association convention with Dinese Barsella on an "expert system" program [*THERAPY!*] we developed for determining how likely a client was to improve with further therapy.

(1987)

Appointed a member of the American Speech-Language-Hearing Association Congressional Action Contact Network.

Taught two six-hour workshops entitled "Perhaps you should write a textbook!" through the Marquette University continuing education program.

(1988)

Taught a six-hour workshop entitled "Legal Aspects of Speech Pathology" through the Marquette University continuing education program.

(1989)

Received the *Marquette University Faculty Award for Teaching Excellence*.

Facilitated a roundtable discussion on "Manual Communication for People with Mental Retardation: Why? and Why not?" at the annual convention of the American Association for Mental Retardation.

Presented a "greeting" speech during the opening ceremony and a paper on augmentative communication at the All-Union Symposium on "Treatment and Rehabilitation of Patients with Speech Disorders," Moscow, USSR, October, 16-21, 1989. My participation was invited and funded by the Organizing Committee of the Symposium.

Presented a paper, "Augmenting the Residual Communication Skills of Severely-Communicatively-Impaired Adults Who Are Aphasic," at the National Symposium on Rehabilitation of Patients with Aphasia, Krakow, Poland, November 23rd and 24th, 1989. My participation was invited and funded by the Organizing Committee of the Symposium.

(1990)

Appointed an Editorial Consultant for the *Journal of Fluency Disorders*.

Appointed to the International Editorial Board of *Acta Phoniatica Latina*.

Appointed by Governor Tommy G. Thompson of Wisconsin to the Telecommunication Relay Service Council.

Was a Visiting Professor at the University of Marie Curie-Sklodowska in Lublin, Poland. I lectured and consulted there about augmentative communication. While in the country, I also lectured at the Uniwersytet Gdanski in Gdansk.

Lectured about augmentative communication in the Postgraduate Course at the 16th Congress of European Phoniaticians, Salsomaggiore, Italy, October 10-14, 1990. My participation was invited and funded by the Organizing Committee of the Congress.

(1991)

Contributed to the development of the RFP for the Wisconsin Telecommunication Relay Service as a member of the Governor's Advisory Council.

Presented a four-hour workshop for persons contemplating writing a textbook or professional book at the annual convention of the Text and Academic Authors Association (Chicago, June 20-23, 1991).

(1992)

Served as a consultant to Society's Assets and MCI for starting up Wisconsin's Telecommunication Relay Service for persons who are severely hearing or speech impaired.

Coauthored a poster presentation for the First European Congress of Speech and Language Pathology (Athens, Greece, April, 1992) with Professor Darek Kazmarek of the University of Marie Curie-Sklodowska in Lublin, Poland. It described the development of a Polish-language communication device for severely-speech-impaired children and adults.

Presented an invited paper on "Augmentative communication strategies for speechless children" at the First Conference of the Saudi Benevolent Association for Disabled Children, Riyadh, Kingdom of Saudi Arabia, November 7 - 10, 1992.

(1993)

Served as Program Chairperson for the 1993 convention of the Text and Academic Authors Association, New Orleans, June, 1993.

Elected Secretary of the Text and Academic Authors Association.

Presented a workshop on "Authoring Textbooks and Professional Books" in New Orleans, June, 1993.

(1994)

Elected Secretary of ASHA's International Affairs Association.

Presented a workshop on "Authoring Textbooks and Professional Books" in Seattle, June, 1994.

Served for two months as a visiting Lamar University professor in the Gaza Strip teaching Palestinians how to help "speechless" person and those who have fluency disorders.

(1995)

Served as a visiting Lamar University and University of Calgary professor in the Gaza Strip teaching Palestinians clinical research methodology.

Presented a workshop on academic authoring at Lamar University in Beaumont, Texas (under the auspices of the Graduate College) and in Savannah, Georgia (under the auspices of the Text and Academic Authors Association).

Consulted with faculty in the Postgraduate Program in Clinical Psychology at the University of Crete (in Greece) on the development of a fluency disorder clinical research program.

Appointed to the Editorial Board of the *Saudi Journal of Disability and Rehabilitation*, which is published by the Joint Centre for Research in Prosthetics & Orthotics and Rehabilitation Programmes, Riyadh, Kingdom of Saudi Arabia.

(1996)

Presented a lecture and conducted a seminar on stuttering at the University of Wisconsin-River Falls.

Presented a workshop in Chicago on authoring textbooks and professional books under the auspices of the Text and Academic Authors Association.

Participated in the Marquette University graduation ceremony that was conducted in the Gaza Strip for the Palestinian students in the B.S. degree communicative disorders training program.

Served as an evaluator for responses to the RFP for the Wisconsin Telecommunication Relay Service (WTRS).

Selected for inclusion in the First Edition of *Who's Who in Medicine and Healthcare*, which is published by Marquis Who's Who.

Selected for inclusion in *American Men and Women of Science*.

Elected to the office of Vice President/President-Elect of the Text and Academic Authors Association.

(1997)

Recipient of 1997 Emerson College Alumni Achievement Award.

Installed as President of the Text and Academic Authors Association.

Selected for inclusion in the 1998 Edition of *Who's Who in America*.

Presented TAA-sponsored "authoring" workshops at the University of North Dakota and Marquette University

Served as an "external examiner" for a La Trobe University (Bundoora, Victoria, Australia) Master of Applied Science thesis.

Presented an one week workshop on augmentative communication in Riyadh, Kingdom of Saudi Arabia that was sponsored, in part, by the Islamic World Council on Disability and Rehabilitation.

(1998)

Presented TAA-sponsored "authoring" workshops at the University of South Florida-St.Petersburg, University of South Florida-Tampa, Southwestern College, and Lamar University.

Selected for inclusion in the 27th Edition of the *Dictionary of International Biography*, which is published by the International Biographical Center in Cambridge, England.

Selected for inclusion in *Outstanding People of the 20th Century*, which is published by the International Biographical Center in Cambridge, England.

Selected for inclusion in the Second Edition of *Who's Who in Medicine and Healthcare*, which is published by Marquis Who's Who.

Selected for inclusion in the 1999 Edition of *Who's Who in America*, which is published by Marquis Who's Who.

Presented Workshops on stuttering and augmentative communication in five cities in the People's Republic of China.

Awarded the DCA Prize for Scientific Research on Rehabilitation by the Disabled Children's Association of Riyadh, Saudi Arabia. [I was selected from among 102 candidates from 28 countries. The prize was funded by a member of the Saudi Royal Family.]

(1999)

Presented TAA-sponsored "authoring" workshops at the University of South Florida-Tampa, University of North Alabama, California Polytech University, the University of Tennessee, and Lamar University.

Selected for inclusion in the Millennium Edition of *International Directory of Distinguished Leadership*, which is published by the American Biographical Institute.

Selected for inclusion in *Outstanding Scholars of the 20th Century*, which is published by the International Biographical Centre, Cambridge, England.

Selected for inclusion in the 2000 Editions of *Who's Who in America* and *Who's Who in Medicine and Healthcare*, both of which are published by Marquis Who's Who.

Included in the 20th Edition of *American Men and Women of Science*.

Made a Fellow of the Text and Academic Authors Association. The Association inaugurated its Council of Fellows in 1999 and I was selected to be a member of the first group of six to be inducted into it.

Recipient of the 1999 Mike Keedy Service Award from the Text and Academic Authors Association for "dedicated works on behalf of authors."

(2000)

Elected to the Council of the Text and Academic Authors Association for a three year term.

Continued functioning as a member of the Governor's Advisory Counsel for Wisconsin's Telecommunication Relay Service.

Selected for inclusion in the Millennium Editions of *Who's Who in the Midwest*, *Who's Who in America*, and *Who's Who in Medicine and Healthcare*, all three of which are published by Marquis Who's Who.

Selected for inclusion in the periodical *Contemporary Authors* (published by the Gale Group).

Selected for inclusion in the Ninth Edition of the *International Directory of Distinguished Leadership* (published by the American Biographical Institute).

Presented a paper and facilitated a workshop on assessing motivation for rehabilitation at the Second International Conference on Disability Rehabilitation in Riyadh, Kingdom of Saudi Arabia, October 23-26.

Presented a faculty development workshop on authoring texts and other academic books and materials at the University of North Dakota (Grand Forks) on November 3rd under the auspices of the Text and Academic Authors Association.

(2001)

Presented faculty development workshops on authoring texts and other academic books and materials in Washington, DC on March 10th for faculty from Howard University and Gallaudet University and on April 27th for faculty from the College of Education at New Mexico State University under the auspices of the Text and Academic Authors Association.

Accepted an invitation to be a member of the Founding Editorial Board of *Fizjoterapia Polaska* (Poland). The journal will publish articles on all aspects of rehabilitation. I was also made a member of the Editorial Board of *Ortopedia Trammatologia Rehabilitacja* (Poland). I'm still on the Editorial Board for the *Saudi Journal for Disability and Rehabilitation* (Kingdom of Saudi Arabia).

A paper I authored ("Preventing Stuttering from Becoming an Impairment, a Disability, or a Handicap for Children") was presented at the Rehabilitation International (RI) Arab region First International Conference on Disability, Rehabilitation, and Inclusion, Beirut, Lebanon, September 19-21, 2001.

Had several essays on academic book authoring published on the website of the Text and Academic Authors Association.

Continued serving as a member of the Governor's Advisory Council for Wisconsin's Telecommunication Relay Service.

Continued serving as a member of the Text and Academic Authors Association's Council.

Selected for inclusion in the 2002 Editions of *Who's Who in the Midwest*, *Who's Who in America*, and *Who's Who in Medicine and Healthcare*, all three of which are published by Marquis Who's Who.

(2002)

Presented a faculty development workshop on authoring texts and other academic books and materials at the College of the Desert (Palm Desert, CA) and at New Mexico State University under the auspices of the Text and Academic Authors Association.

Presented a two-hour workshop on February 23rd (based on my book "Second Thoughts About Stuttering") at the annual convention of the Wisconsin Speech & Hearing Association.

Continued serving as a member of the Governor's Advisory Council for Wisconsin's Telecommunication Relay Service.

Selected for inclusion in the 21st Edition of *American Men and Women of Science*, the 4th Edition of *Who's Who in Medicine and Healthcare*, and the 57th Edition of *Who's Who in America*.
